ADIGAR'S MANOR

Dating back to 1804, Adigar's Manor is a restored heritage retreat located just outside Kandy, offering an intimate stay with nine individually designed rooms. Set among paddy fields and lush greenery, the property combines Sri Lankan character with refined comfort and personalised service. Guests can enjoy an infinity pool overlooking the surrounding landscape, a spa, yoga experiences, and a private spice garden showcasing local herbs and spices. Dining is a key part of the experience, with Sri Lankan-inspired cuisine served in the restaurant, poolside or on private terraces. Each room features unique design details reflecting the manor's colonial heritage, with five Deluxe Rooms and four Ultra Rooms offering additional space. Please note, children aged 11 years and under are not permitted.
