ANGSANA IHURU

NORTH MALE ATOLL

Angsana Ihuru is a glittering jewel on the North Malé Atoll in the Maldives and is thought to be one of the most picturesque islands in the Indian Ocean. Due to its true castaway feel, it is fast becoming known as one of the most romantic destinations in the world. The Angsana Ihuru resort is a true island paradise set upon gorgeous turquoise waters and rich green tropical vegetation. With some of the Maldives' finest house reefs, Angsana Ihuru is ideal for scuba diving, snorkelling and beach exploration.
