APES HILL

SAINT JAMES, BARBADOS

At 1000ft above sea level, Apes Hill Barbados is the most elevated golf resort and community in Barbados, spanning 475 acres made up of lush tropical vegetation, indigenous gullies, and rare panoramic ocean views of both the Atlantic Ocean and Caribbean Sea. Set within the undulating topography of the Central Highlands, and hugging the geologically unique Scotland District, it is home to an 18-hole, par 72 Championship golf course which is complemented by state-of-the-art golf amenities featuring the latest technology. With its laid back, luxury lifestyle, sustainability lives at its core and permeates through the entire resort and community. The stunning collection of villas, which blend seamlessly with the environment highlight that nature, innovation and technology reign supreme across the lush landscape. At Apes Hill Barbados, sleek and modern villas can be found ranging from 3-bedroom courtyard villas to 4-bedroom hilltop villas and with golf course and ocean views. It's a place of prestige without pretension, set in one of the most unique high points to be found. Apes Hill Barbados delivers an unmatched adventure for the entire family and is a natural setting for an ultra-luxurious golf resort and community. It's the only golf resort and community in Barbados where the golf's on a higher level, but life's always down to earth
