RESTAURANTS

RESTAURANTS

OCEAN TERRACE

The Ocean Terrace is the place to explore, where East meets West and beach meets ocean. Breakfast is healthy, with fresh juices and smoothies, egg-white omelettes, or pancakes drizzled in syrup. For lunch and dinner, the live cooking stations sizzle with Mediterranean, Asian and speciality Maldivian flavours.

SKIPJACK POOL BAR

Snack all day on wood-fired pizzas, tapas and noodles, with smoothies and iced coffee in between. Evenings are chilled as the sun goes down and the beats come on, with the occasional movie under the stars.

SMUGGLERS' SHACK

A beautiful sunny day, waves breaking on the shore, and a rum cocktail in hand. Drop by for the surprise menu of the day – sushi, tapas, tacos – it all depends on the chef!

HAMMOCK

The lobby bar offers up simple, healthy options, from cold-pressed juices and kombucha to baked goods fresh from the oven. Treats include waffles, crepes, artisan coffee, bubble tea and ice-cream.

TRIBE BAR

Gather around the fire, feet buried in the sand. Chill to the beat of the DJ, a cocktail in hand. Tribe is the place to hit at sunset, with mellow vibes, fire dancing and shisha.

CHARCOAL

Fresh seafood, sizzling steaks and sunsets. Dress up and head down to oceanfront Charcoal. The steak is dry aged, and the wine sommelier is on standby to recommend a glass (or bottle) to perfect the meal.

PETIT BISTRO

An adult-free zone. Lunch is served, young VIPs. Take a mini-seat, tuck into pizza, and enjoy making friends. Petit Bistro is part of the kids' club for little ones aged 4 – 11. Kids learn to eat healthy and try their hand at cooking in a safe environment. Parents, meanwhile, are free to take a break and enjoy a little 'me' time!
