BEQUIA BEACH HOTEL

BEQUIA ISLAND, SAINT VINCENT AND THE GRENADINES

Bequia Beach Hotel is a family owned and managed property on the petite island of Bequia in St. Vincent & the Grenadines. Perched on the island's premier location, Friendship Beach, the 58 key property is set within nine acres of lush tropical gardens with uninterrupted views of the Caribbean Sea and neighbouring island of Mustique. Fondly known as the Caribbean's best kept secret, Bequia is just seven square miles wide, with a population of approximately 5,000. Brimming with beautiful, empty sandy beaches, verdant green hillsides, lively little villages as well as intimate and varied restaurants and bars, seclusion and immersion are guaranteed.

RESTAURANTS

BAGATELLE

The hotel's main restaurant 'Bagatelle' is located right on the stunning Friendship Beach with the 'Bequia Beach Bar' just a few feet away. The restaurant offers an internationally inspired menu with classic Caribbean influences and dishes, the international & local Chefs strive to make full use of locally sourced produce within St Vincent & the Grenadines. Freshly caught seafood is delivered several times a week right on the beach by Bequia's local fishermen.

BLUE TROPIC

Open seasonally, Blue Tropic & bar offers a classic Italian-styled menu, blending the best of Bequia with the tradition's of Italian cuisine. Blue Tropic sits nestled on the hill; the ideal romantic evening setting to take in the elevated views, gardens and sounds of a Caribbean night.

JACK'S BEACH BAR

Enviably located on what many call one of the best beaches in the Caribbean is Jack's Beach Bar. Completely refurbished and given a fresh lick of paint but still retaining the iconic bohemian beach-chic charm that has sailors, beachgoers and Bequians spellbound. Serving exquisite original cocktails and the classics paired with some of the finest local ingredients with an international touch not forgetting the freshest seafood landed only metres away on the beach, you've not been to Bequia till you've been to Jacks!
