## CALABASH COVE RESORT & SPA

### GROS ISLET, SAINT LUCIA

Adults-only boutique resort on Saint Lucia's northwest coast, positioned on a quiet bay with a strong focus on privacy, ocean views, and slow-paced Caribbean living. Accommodation is limited and well spaced, with all suites and cottages designed to maximise sea views, each featuring a private jacuzzi and either a terrace or plunge pool depending on category. Water's Edge Cottages offer the most seclusion, with direct beach access and enhanced outdoor space. The atmosphere is intimate and calm, with an infinity pool, small spa, and a handful of relaxed dining spaces rather than extensive facilities. Service is personable and unobtrusive. Best for couples seeking a low-density, romantic Saint Lucia stay with strong views, privacy, and a more understated boutique feel.
