CAPE WELIGAMA

WELIGAMA, SOUTH-COAST, SRI LANKA

Cape Weligama is a Relais & Chateaux luxury beach hotel located in Weligama area. The residences and villas sit atop a promontory overlooking the Indian Ocean and enjoy stunning views of idyllic landscapes on all sides. At the seafront, the crescent-shaped infinity pool seems to float above the waves; alongside stone pathways leading to secluded coves where turtles flap about in the crystal-clear shallows.
