CASA COLONIAL BEACH & SPA

PUERTO PLATA, DOMINICAN REPUBLIC

Casa Colonial Beach & Spa sets out to surprise and delight with its fusion of old-world charm and contemporary elegance. The luxurious 50-room boutique property resembles a classic Dominican plantation estate as it was designed as a home or "casa." The property reveals Spanish-colonial architecture and chic interior designs. Upon arrival guests are greeted by friendly staff and given cold scented towels. The elegant, yet cool lobby features marble floors and walls, white colonial crown moulding, rich wood furnishings, sheer dramatic draperies and sounds of hip Dominican music mixes. Casa Colonial is the first and only five-star boutique property in Playa Dorada and offers world class amenities including luxurious guestrooms and suites, a full service spa featuring indigenous treatments, upscale dining and a sleek roof-top infinity pool.
