CASTARA RETREATS

CASTARA RETREATS, NORTH SIDE ROAD, TOBAGO

These 17 tree-house style accommodations are built into the hillside with rainforest behind and the Caribbean ocean to the front. All 17 accommodations are unique and have been handcrafted using local timbers and all boast sea views. Castara Retreats have their own open sided yoga/wellness pavilion, offering daily yoga and a range of massages. Guests can walk to a waterfall just five minutes away to swim, or walk under five minutes to the beach. A range of tours are available, including birdwatching, snorkelling, horse riding, island tours, paddle boarding, diving. The property has a strong approach to sustainability - they sponsor several initiatives to support the local flora and fauna and strive to be as ecologically minded as possible.
