## COBBLERS COVE

### SAINT PETER, BARBADOS

A Caribbean landmark and stand-out destination boutique hotel for over sixty years, Cobblers Cove is, justly, much-loved. A family-owned haven of elegance and hospitality, with modern sensibility, old world charm and impeccable service, Cobblers has an award-winning restaurant that is repeatedly hailed as the best on the island. Guests return year after year for its calm crystalline sea, its two glorious golden sand beaches, its spectacular gardens, the turtles in the bay, the monkeys in the trees, the complementary tea every day at four or the watersports, but most of all for the warmth and charm of the long serving staff. The hand printed linens, the rattan furniture, the art, the exquisite china and elegant décor all set instagrammers reaching for their mobiles, but just lie back on the most comfortable sun loungers in the Caribbean and at sunset when the golden light illuminates the walls of the Great House, sip on one of the iconic cocktail of the house, the Cobblers Cooler, to the sound of live music from the band.
