DENIS PRIVATE ISLAND

Accessible via a 30-minute flight from Mahe, Denis Private Island offers an exclusive blend of simplicity and luxury. Its 23 cottages and villas feature private beachfronts, furnished terraces, open-air bathrooms, and garden courtyards. Outdoor enthusiasts can explore with provided bicycles, snorkelling gear, paddle boards, and kayaks, or venture into the jungle for bird-watching. Fishing and scuba diving, including renowned black marlin fishing near "The Drop Off," are available at a surcharge. The island operates sustainably, relying on solar power and homegrown food from its farm. Guests can indulge in fresh, organic produce and seafood sourced from the ocean at the restaurant. For relaxation, enjoy an ocean-facing infinity pool, open-air spa treatments, and beach massages. Evenings offer breathtaking sunsets perfect for cocktails at the pool bar or on sunset cruises.
