DHEVATARA BEACH HOTEL

PRASLIN, SEYCHELLES

Set on Praslin, a small beachfront boutique hotel offering a limited number of individually styled suites directly across from Grand Anse. The focus is on a quiet, intimate atmosphere with personalised service and easy access to the beach. Interiors are contemporary with a soft, understated finish, supported by a relaxed dining concept on site. Suited to couples seeking a low-key, design-led base in a convenient coastal location rather than a full-service resort stay.
