SUPERIOR ROOM

Located in the main building, our Superior Rooms provide ample space to rest and relax in our tropical paradise. Each room features a large private terrace that faces the dazzling blue sea. Cool tiles grace the room's floor. A refreshment centre is fully stocked for added convenience. A dark rattan armchair sits by the terrace doors, while a large dark wood desk with chair provides room to spread out personal items or connect with home via High Speed Internet Access (for a fee). A 32-inch LCD television hangs above the desk, directly opposite the plush king-size LM BED. The dark wood bed is beautifully appointed in crisp white linens and multiple pillows. Reading lamps hang on the wall on either side, while a wide wooden bench with built-in purple seat cushion sits at its foot. Tropical prints of the Seychelles landscape decorate the walls above the bed—bringing a touch of nature inside. At the other end of the room, a freestanding deep soaking tub—surrounded by dark teak wood—invites you to soak away any tension. Beyond the tub, the rest of the open-layout bathroom features a vanity, separate shower, plush bathrobes and a selection of toiletries.

DELUXE ROOM OCEAN VIEW

The room is designed to evoke a calm ambiance with its white and cream palette. The tile floors remain cool to the touch throughout the day. A refreshment centre is fully stocked for added convenience. The 32-inch LCD television is perfectly positioned for you to enjoy a movie while relaxing in the king-size LM BED dressed in crisp white linens with multiple pillows. Reading lamps hang on the wall on either side of the bed, while on the adjacent bedside tables you will find an integrated alarm clock radio. A large wooden bench with built-in purple seat cushion sits at the foot of the bed. The open-layout bathroom offers many luxuries—including a large freestanding soaking tub surrounded in rich teak, a rainforest shower separated by clear glass walls, a vanity, plush bathrobes and fragrant toiletries. Orchid blossoms add an elegant touch of island colour to the entire décor.

JUNIOR SUITE OCEAN VIEW

A spacious desk is complete with High Speed Internet Access for a fee, while a 32-inch LCD television features an extensive menu of satellite channels. A refreshment center is fully stocked for added convenience. The bedroom area is complete with a king-size LM BED dressed in crisp white linens and topped with multiple pillows. Reading lights hang on the walls on either side of the bed.

FAMILY SUITE GARDEN VIEW

They feature sliding doors for optical separation of the areas accommodating parents and children. All Family Rooms have a fully-equipped balcony or terrace overlooking the lush gardens. Family Rooms may accommodate max 3 adults and 1 child or 2 adults and 2 children.
