FOUR SEASONS VOAVAH

BAA ATOLL, MALDIVES

Four Seasons Private Island Maldives at Voavah is one of the Maldives' most exclusive private island experiences, set within the UNESCO-protected Baa Atoll Biosphere Reserve. Available only on an exclusive-use basis, the seven-bedroom island accommodates up to 22 guests, making it ideal for multi-generational stays, milestone celebrations and high-profile private gatherings. What sets Voavah apart is its complete flexibility, from fully bespoke dining and wellness programmes to private yacht excursions, diving and event experiences. With no neighbouring resorts, dedicated Four Seasons service and exceptional privacy, it offers a more residential, highly personalised alternative to a traditional luxury resort.
