RESTAURANTS

INFINITI RESTAURANT

The resort's signature fine-dining destination and one of Providenciales' premier oceanfront restaurants. Featuring globally inspired cuisine prepared with fresh, local ingredients, this open-air restaurant offers elevated plates like wood-fired Caribbean lobster, heritage pork shank, seasonal fish, and refined salads - all served against the backdrop of Grace Bay's turquoise waters.

INFINITI SUSHI BAR

An extension of the Infiniti experience, this is the iconic bar on the property: a 90-foot infinity-edge bar - the longest in the Caribbean - set right on the shoreline. It offers creative sushi, tapas-style dishes, innovative cocktails and full service throughout the evening.

THE GRILL

A relaxed, all-day beachfront bistro ideal for families and casual dining. Serving breakfast (included for resort guests), lunch and seasonal dinner, The Grill's menu blends international and Italian-inspired fare with fresh seafood and grill favourites - perfect for laid-back days by the ocean.

KRAVE

Located adjacent to The Estate Pool, Krave offers elevated comfort food in a relaxed setting. With globally influenced salads, hearty bowls, gourmet wraps and inventive tacos, it's a flexible option for guests seeking a lighter, creative menu in a social poolside environment.

THE LOUNGE

A contemporary beachfront bar and lounge designed for socialising and sunset watching. The Lounge serves Caribbean-infused tapas, signature martinis, tropical cocktails and light bites, all delivered in a stylish, relaxed setting with curated music and beachfront views.
