HOTEL CHRISTOPHER

GUSTAVIA, SAINT BARTHELEMY

In this unique setting, the 5-star Christopher Hotel has made its mark. Nestled within a lush tropical garden, the hotel features 42 spacious, lightfilled rooms and suites, each offering breathtaking ocean views. Adding to its charm are three exceptional villas that provide an ultra-private vacation experience. Picture a grand residence with a timeless, elegantly modern design reminiscent of a contemporary loft—a stylish yet relaxed retreat where guests feel instantly at home upon arrival." Since 2021, Le Christopher has held the Green Globe label, an environmental and societal certification program dedicated to the tourism and hospitality sector.

OCEAN TERRACE ROOM

The Atlantic Ocean is but a few steps away, with nature right at your doorstep. Designed as lofts with private terraces, the Ocean Terrace rooms are refuges of calm and peacefulness, with direct access to the infinity pool. The interior light can be modulated as desired with adjustable shutters... the bathrooms feel as if they were carved out of the rock, where beads of soft water cascade from the tropical shower. Outside, the air is softly perfumed from the aromas of the lush tropical garden, which also provides enough privacy to relax on the terrace with a book or a cocktail.

OCEAN JUNIOR SUITE

Located upstairs, the Ocean Junior Suites have unblocked views of the infinity pool and the ocean. Their wide sliding glass doors let the light filter in, while the lounge area, perfect for reading, is designed for serenity and relaxation. Staying in an Ocean Junior Suite allows you to appreciate the Caribbean while enjoying the comforts of a modern lifestyle...

OCEAN DELUXE TERRACE ROOM

A large terrace overlooks the sea. The view is simply breath-taking, encompassing the bay of Lorient and neighbouring islands. There is a sense of being alone in the world, lost in the immensity of the ocean. Even from the granite bathtub, the sea is visible. Away from the public spaces of the hotel, the Ocean Deluxe Terrace rooms provide an unequalled degree of privacy. There is a short flight of steps to reach this perfect oasis of tranquillity.

OCEAN PANORAMIC JUNIOR SUITE

Stand at the balcony's edge and you're likely to see several surfers riding the waves, as the rolling sound of the sea will rock you to sleep at night. The suite is filled with a feeling of calm and tranquillity, where the immensity of the ocean spreads out at your feet. Located at the extreme eastern end of the hotel, above the spa, these suites give you the impression of being on the prow of a ship, without sacrificing any comfort: a spacious bed, a tropical shower, and living room area to read and relax.

RESTAURANTS

RIVYERA RESTAURANT BY LE CHRISTOPHER COUTANCEAU

An ode to the sea, made with local, seasonal products. True to his eco-responsible approach, the chef has worked closely with the island's artisanal fishermen to discover this marine terroir and work with reef fish, a fabulous species that is still little exploited in St Barths.

PLAGE DE CHRIS

Blue hues, wood accents, fire pits, and slate—a warm, seaside ambiance where guests share in the joy of fresh, spontaneous cuisine inspired by the daily catch.
