HOTEL ESENCIA

RIVIERA MAYA, MEXICO

Hotel Esencia is a majestic 50-acre estate ideally located between Tulum and Playa del Carmen in Mexico's Riviera Maya. Once the private seaside residence of an Italian duchess, this timeless retreat has evolved into an exclusive destination known for its understated elegance and rich heritage. At its heart stands the Main House, surrounded by lush pathways leading to just 47 suites and 4 private villas, ensuring exceptional privacy and personalized hospitality. Set along the pristine shores of Xpu-Ha Bay far from the bustle of large resorts, the hotel offers a natural sanctuary where sea turtles return each year to nest. Hotel Esencia welcomes discerning travelers seeking a rare and intimate escape, where tranquility, beauty, and authenticity define every stay.

JUNGLE SUITE

The Jungle Suite at Hotel Esencia offers a serene sanctuary set within the estate's lush tropical gardens, positioned as close to the beach as possible without direct ocean frontage. These peaceful, cooling retreats provide an immersive connection to nature while maintaining exceptional privacy. Available with either one king or two queen beds, each spacious suite features a large private outdoor dining terrace with sofa seating, ideal for relaxed al fresco living. Interiors include expansive all-white bathrooms with double showers, double sinks, and an in-room double bathtub, complemented by walk-in closets and contemporary in-room technology such as large-screen WiFi-enabled TVs, Bluetooth speakers, and air conditioning.

 2 Adults

JUNGLE SUITE WITH PLUNGE POOL

The Jungle Suite with Plunge Pool at Hotel Esencia is designed as a private sanctuary for calm and restoration, set within the resort's lush tropical surroundings. Each suite is uniquely appointed, featuring either an indoor plunge pool or an outdoor plunge pool within a terrace solarium, alongside a spacious outdoor dining terrace ideal for relaxed living. Inside, guests enjoy a rain-like shower room, generous bathrooms with large bathtubs, and walk-in closets. Contemporary comforts include large-screen WiFi-enabled televisions, Bluetooth speakers, air conditioning, and signature Hotel Esencia amenities, ensuring a refined and restorative stay.  2 Adults

ROOFTOP WELLNESS SUITE

These premium duplex suites represent the pinnacle of luxury and wellness, setting a new standard in elevated resort living. Located within a short three-minute walk from the beach, they occupy the top two floors of the resort's tallest buildings, offering both privacy and stunning surroundings. Each suite is thoughtfully designed with a focus on holistic well-being, featuring a private in-suite fitness studio directly off the master bedroom an innovative space dedicated to health, movement, and rejuvenation. This forward-thinking approach to luxury wellness has earned the suite the prestigious Wellness Star of the Year Award from Forbes Travel Guide, recognising its excellence in wellness-driven hospitality. Please note the images are representative of the room category and not necessarily the room assigned.

 2 Adults

MASTER SUITES

Master Ocean Suite at Hotel Esencia offers an exceptional beachfront retreat, combining historic charm with world-class luxury along the Caribbean coastline. Located within the original main house or just beside it, each of the nine suites enjoys direct ocean views, overlooking the lush grounds, main pools, and turquoise sea beyond. Designed as architectural gems, these suites feature a spacious king bedroom and a master bathroom with double sinks, delivering both comfort and elegance. Please note the images are representative of the room category and not necessarily the room assigned.

 2 Adults

BEACH SUITES

Beach Suite at Hotel Esencia offers an exquisite barefoot-in-the-sand experience, positioned just 20 metres from the shoreline with uninterrupted views of the Caribbean Sea. Designed for beach lovers seeking both simplicity and refined comfort, each suite features a private beachfront terrace that opens directly onto the oceanfront setting. Inside, spacious bathrooms include double showers with direct sea views, alongside an in-room double bathtub for elevated relaxation. The suites are further appointed with air conditioning, walk-in closets, large-screen WiFi-enabled televisions, Bluetooth speakers, and Hotel Esencia's signature amenities, ensuring a seamless blend of modern comfort and laid-back coastal living. Accommodations comfortably sleep up to three guests with an optional roll-away bed. Please note the images are representative of the room category and not necessarily the room assigned.

 2 Adults

MASTER JUNGLE SUITES WITH PLUNGE POOL

Master Jungle Suite at Hotel Esencia elevates the concept of a Jungle Suite into a spacious, apartment-style sanctuary. These centrally located retreats feature multiple indoor and outdoor living areas, a grand master bedroom, and a generous bathroom with double bathtubs and an optional steam shower. Each suite also includes either a second bedroom or a flexible living space that can function as an office or additional sleeping area, along with a second full guest bathroom. Set just steps from the beach, each suite is immersed in lush jungle surroundings and features an oversized plunge pool tucked within dense tropical foliage. Every Master Jungle Suite is individually designed, offering a unique layout guests are encouraged to confirm their preferred comfort. Please note the images are representative of the room category and not necessarily the room assigned.

 2 Adults

MASTER BEACH SUITES

Master Beach Suite at Hotel Esencia is an exclusive beachfront sanctuary designed for maximum privacy, comfort, and independence. Each of the two suites features expansive interiors with windows on three sides, spacious bathrooms with seating areas, and a private heated plunge pool. The ground-floor suite opens onto a terrace with built-in seating and an outdoor plunge pool, while the upper-level suite offers enhanced privacy with its plunge pool positioned beside a double walk-in shower. For added flexibility, the suites can connect to an Esencia Jungle Suite, allowing families or groups to reserve an entire floor for complete privacy. Each suite accommodates up to three guests with an optional roll-away bed. Please note the images are representative of the room category and not necessarily the room assigned.

 2 Adults

POOL VILLA

Pool Villa at Hotel Esencia is a secluded two-bedroom, two-level residence hidden within lush garden foliage, offering exceptional privacy and tranquillity. Please note the images are representative of the room category and not necessarily the room assigned. Designed more like a private home than a traditional suite, the villa features multiple terraces, a dedicated media room, a brand-new fitness studio, and a private courtyard complete with hammocks, entertaining spaces, and a full-size swimming pool. Inside, guests enjoy walk-in closets, large-screen WiFi-enabled televisions, Bluetooth speakers, air conditioning, and Hotel Esencia's signature amenities, ensuring a seamless blend of comfort, style, and modern convenience throughout the stay. Please note the images are representative of the room category and not necessarily the room assigned.

 4 Adults

VILLA YUM HA

Yum Ha Villa is a majestic colonial-style residence set on a lush 15-acre private estate adjacent to Hotel Esencia. This four-bedroom villa offers exceptional privacy and space, accommodating up to eight guests. Each bedroom features an en-suite bathroom and private terrace overlooking the gardens, creating a peaceful and immersive natural setting just a three-minute walk from the beach. The villa includes a fully equipped Mexican-style kitchen, spacious living and dining areas, and a large terrace with an outdoor dining space ideal for entertaining. Guests enjoy personalised service with a private butler and dedicated housekeeping, ensuring a seamless and comfortable stay throughout.

 8 Adults

THE ESENCIA SUITE

The Esencia Suite at Hotel Esencia is the crown jewel of the original Main House, created by the property's first owner, an Italian Duchess. As the resort's most expansive expression of space and comfort, it offers an elevated sense of privacy and refined indoor-outdoor living. The suite features a master bedroom with ocean views, a domed living room, and a light-filled master bathroom complete with a double bathtub and steam shower. A second full bathroom and a versatile reading den also suitable as a second bedroom are immersed within the surrounding jungle, framed by windows on three sides and additional ocean vistas. A Peloton bicycle further enhances the wellness-focused experience. Outdoor living is equally exceptional, with a spacious lower-level terrace facing the jungle canopy and an impressive 80m² rooftop terrace offering 360-degree views of Xpu-Ha beach and the treetops. This rooftop retreat includes the resort's largest plunge pool, a covered outdoor living room, sunbeds, and space for al fresco entertaining for up to 20 guests. For a true Presidential Suite experience, the Esencia Suite can be combined with an adjacent Master Suite to occupy the entire north wing of the Main House.

 4 Adults

PRESIDENTIAL BUNGALOW

Presidential Bungalow at Hotel Esencia is the property's most private beachfront suite, set on a 30,000-square-foot independent estate directly on Xpu-Ha Beach. Designed in a Caribbean-style under a grand palapa roof, the bungalow features a master king bedroom with uninterrupted sea views and an adjacent living area that can be converted into a second bedroom. The suite includes a spacious master bathroom with double sinks, bathtub, and shower, a large walk-in closet, and an additional guest bathroom. A wrap-around outdoor terrace opens onto 120 feet of private beachfront, complete with sunbeds and a large palapa ideal for lounging or private beachfront dining. Modern comforts include a wide-screen WiFi-enabled smart TV, Bluetooth speaker, ceiling fans, air conditioning, and full butler service, along with all signature Hotel Esencia amenities for an elevated, fully serviced stay.

 4 Adults

THE ESENCIA MANSION

The Esencia Mansion at Hotel Esencia is one of the most exclusive private villas in the Riviera Maya, offering a truly grand residential experience. Spanning approximately 10,000 sq ft and completed in 2022, this four-bedroom mansion is designed to immerse guests in nature while delivering the highest level of privacy and seclusion. Set just a short walk from the beach and resort facilities, it combines convenience with complete exclusivity. The four-level residence features spacious en-suite bedrooms, each with its own private entrance while remaining internally connected an ideal layout for families or groups of friends. Expansive living spaces are complemented by three swimming pools and a rooftop offering 360-degree ocean views. Additional highlights include proximity

to a private tennis court and helicopter landing pad, further enhancing the sense of elevated, resort-style living within a private estate.

FOOD AND DRINK

RESTAURANTS

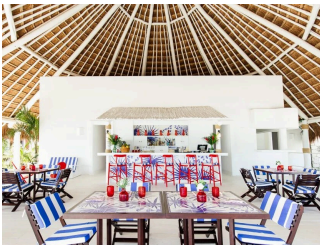

TAIYO

Taiyo is a refined poolside dining concept that blends traditional Japanese cuisine with a distinctive Mexican twist. Rooted in classic sushi techniques, it offers a curated menu for both lunch and dinner in a relaxed yet elegant setting. At its heart, the Omakase bar delivers a unique nightly experience, where chefs craft personalized tastings using the freshest ingredients and their inspired selections.

BEEFBAR

Originally established in Monaco in 2005, Beefbar brings its internationally acclaimed concept to the heart of the lush Palm Garden at Esencia. Beefbar Esencia – Xpu-Ha offers a true epicurean experience, centered on simplicity and the finest quality ingredients. The menu showcases exceptional cuts, including Australian Black Onyx and Wx Wagyu, as well as certified Japanese Kobe beef. Prepared to order in an open kitchen and traditional brick oven, each dish celebrates elevated comfort food with a refined, contemporary touch.

MISTURA

A refined and authentic Mexican dining experience with a subtle Mediterranean touch, set beneath a striking beachfront palapa with sweeping 180-degree views of the Caribbean Sea. This sea-to-table concept showcases a creative selection of fresh seafood, grilled specialties, and elevated comfort dishes, crafted with the finest ingredients from Mexico's Yucatán Peninsula and beyond.

COFFEE BAR & JUICE BAR

Coffee lovers are welcomed to the Coffee Bar at Mistura, where a curated selection of coffee beans from across Mexico sits alongside renowned international blends. All coffee beverages are freshly prepared using beans ground on demand, ensuring a rich and aromatic experience in every cup. Guests can also enjoy a tempting assortment of house-made Mexican pastries, displayed daily for a sweet accompaniment. For a refreshing option, the Juice Bar offers freshly squeezed juices, made-to-order smoothies, and popular superfood bowls delivering a vibrant and nourishing selection to start the day or recharge at any time.
