HOTEL OCEAN GRAND AT HULHUMALE

HULHUMALE, MALDIVES

Airport-area hotel on Hulhumalé in the Maldives offering a practical, modern stopover stay close to Velana International Airport and Malé transfers. Accommodation is in compact, contemporary rooms with simple furnishings, air conditioning, and partial ocean or city views depending on category, designed for short stays rather than leisure holidays. The atmosphere is functional and urban, with a rooftop restaurant providing sea views and casual dining, alongside basic in-room services and limited on-site facilities. The property is well positioned for early departures, late arrivals, and seaplane or speedboat connections to resort islands. Service is efficient and geared towards transit guests.
