HURAWALHI ISLAND RESORT

LHAVIYANI ATOLL, MALDIVES

A private island in Lhaviyani Atoll offering an adults-only, design-led Maldives experience defined by space, reef access, and standout dining. Accommodation is split between beach and overwater villas, each with clean, contemporary interiors, private terraces, and uninterrupted lagoon or ocean views, with pool categories offering the strongest appeal for couples. The island is compact yet well-zoned, balancing quiet beachfront areas with more social dining and bar settings. Facilities include a strong dive centre, spa, watersports, and one of the Maldives' most distinctive experiences, the 5.8 Undersea Restaurant. Service is polished and consistent with a strong focus on guest experience. Best for couples seeking a refined Maldives stay with excellent snorkelling, iconic dining, and a slightly more structured, experience-led island feel than ultra-minimal private islands.
