### TREEHOUSE

Quietly nestled at the back of the property, perched on a hillside, sit four treehouses. Raised above the surrounding fauna, surrounded by lush greenery, the treehouses offer views that stretch over Koggala Lake and the pool at the back of the property, while offering added privacy. Natural light spills generously through the large windows, inviting the outdoors to become an integral part of the experience.

### *GARDEN SUITE*

Nestled at the front of the property, closer to The Kitchen and the main pool, the four Garden Suites open to the richly planted garden, with distant views of the tranquil lake. A refreshing breeze drifts through the large, open patio doors—an unparalleled connection to nature that extends to the en-suite bathroom.

### *COTTAGE*

The cottages are scattered throughout the landscape, each with a slightly different character. While one of the cottages features a modern, contemporary design philosophy, an additional two cottages feature vernacular architectural design with half flat tiled roofs. All share direct views over the lake.

### *VILLA*

Banyan, the 2 bedroom villa sits on a small hillside, surrounded by lush greenery, offering views that stretch over Koggala Lake. The spacious living area boasts floor-to-ceiling windows that frame the lake and the vibrant fauna, while light floods the contemporary interior. The 2-bedroom villa features a living area with a small kitchenette nestled between the bedrooms, as well as a small, private pool with sunlounges to unwind and relax.

### *KURULU HOUSE*

The Kurulu House is a beautifully designed house by renowned Sri Lankan architect Channa Daswatte, trained under Geoffrey Bawa. Merging 1960 Florida architecture style and tropical Bawa tradition, the house features a high ceilinged living space, envisioned to serve as a venue for wellness and art retreats. Throughout the space, traditional materials and elements are at play. The house features a Yoga Shala overlooking Koggala Lake, surrounded by towering frangipani trees.
