MADIFUSHI PRIVATE ISLAND

MEEMU ATOLL, MALDIVES

Located in the more remote reaches of Meemu Atoll, a contemporary private island resort offering a sense of space and seclusion with a focus on relaxed, barefoot living. Villas are modern and well-proportioned, many with direct beach or lagoon access, supported by a simple but considered dining offering and a range of water-based activities. Best suited to couples or families seeking privacy and a slower pace, particularly those who value newer infrastructure over traditional Maldivian character.
