## FACILITIES

## ACCOMMODATIONS

### BEACHFRONT VILLA

North Island features ten spacious beach villas along the eastern shore, offering direct access to the ocean. Each villa is carefully positioned within the natural vegetation, ensuring complete privacy and uninterrupted ocean views. The Beachfront Villas, each measuring 450 sqm (4890 sq. ft), provide ample space for guests to enjoy a distinctive island experience. Designed with an open layout, the villas invite exploration, with a mix of textures and organic shapes in the handcrafted furniture and fittings. This blend of rustic elements and refined design creates a harmonious, sophisticated environment. Guests have exclusive access to pristine white sands and turquoise waters just steps from their villas.

### VILLA NORTH ISLAND

Villa North Island, also known as Villa 11, sits atop a granite cliff on East Beach, offering unmatched privacy. This expansive 750 sqm (8,000 sq. ft) villa spans multiple levels and features a discreet entrance through a coconut grove. Guests can walk down a wooden deck with a waterfall leading to the beach, creating a secluded, castle-like atmosphere. The villa includes an oversized marble bath with stunning sunrise views, making it the ultimate North Island experience. Combining grandeur and romance, it offers the finest in luxury and seclusion.

## RESTAURANTS

### RESTAURANTS

#### *THE PIAZZA*

The Piazza offers gracious candlelit, private dining with the gentle sounds of the ocean setting the scene for a romantic evening. This is the ideal venue for a sophisticated date night, and showcases the “smooth” aspect of the Island.

#### *IN-VILLA DINING*

Enjoy the wide variety of cuisines from the home style menu, with a local Creole curry or classic dish of choice, delivered to guest's door while relaxing in the privacy of their own villa. In-villa family-style barbecues available with a private chef, organised by the resort.

#### *DESTINATION DINING*

North Island's 201 hectares of natural beauty offers a wealth of secluded spots perfect for romantic moments or special memories shared as a family. Enjoy the romance of Honeymoon Beach, a paradise reserved for guests to enjoy private beach picnics. Savor champagne and canapés over a bonfire while watching the sun set from the rugged beauty of The Cross at the base of Spa Hill. Appreciate a light lunch on the edge of the main swimming pool, a personalised Takamaka Rum tasting, a candlelit dinner under the stars on the Helipad, a Créole dinner in the historic Library, or a private wine tasting with the sommelier in the cellar.

## BAR

#### *SUNSET BEACH BAR*

This is no place for haste, so guests will let the mixologist create a B.O.B. Mojito for them as they unwind. A North Island twist on the classic cocktail with Island grown passion fruit, mint, and small bitter local oranges planted on the Island centuries ago by pirates seeking a place to bury their plundered treasures.
