UGA RESIDENCE

COLOMBO, SRI LANKA

Set within a restored 19th-century residence in central Colombo, Uga Residence is one of the city's most refined boutique hotels. Originally built by a prominent barrister, the property has been transformed into an intimate 11-suite retreat that feels far removed from the pace of the capital. Well suited to clients looking for a quieter and more characterful alternative to the larger international hotels, with personalised service and generous suite-style accommodation.
