ACCOMMODATIONS

MOUNTAIN VIEW CHALET

Santani has 16 Mountain View Chalets that overlook the surrounding mountain range. These can accommodate two people only, each extending to a balcony and approximately 500 square feet. Each room features up-cycled rubber wood lounge chairs, recycled teakwood safari chairs on the balcony, extra large pillows, 100% cotton, high thread count sheets, coffee and tea making facilities, personal safe and two closets.

GARDEN VIEW CHALET

This Resort has 4 Garden View Chalets that are designed for families with children (above 12) and hence located away from the main area of the resort. These are situated in an area with a small paddy field on one side and a tea plantation on the other. Two chalets are connected to each other through a common open area. One of the two chalets are specifically designed for Children between 12 – 15 with no balconies and other safety specifications. These chalets do not have the mountain vistas.
