RESTAURANTS

OCEAN TERRACE RESTAURANT

Ocean Terrace Restaurant is the main buffet restaurant at Sonesta Maho Beach Resort, Casino & Spa, serving breakfast, lunch and dinner in a relaxed, all-inclusive setting. The buffet includes hot and cold dishes, soups, salads, fresh fruit, live cooking stations such as omelettes and pasta, plus weekly themed nights for variation. A dedicated kids' section offers child-friendly options. Guests can dine indoors in air-conditioned comfort or outside on the terrace.

THE PALMS BEACH GRILL BY DAY / CANTINA PARADISO BY NIGHT

The Palms Beach Grill offers a dual dining concept within Sonesta Maho Beach Resort, Casino & Spa, combining relaxed beachfront grilling with a more refined evening experience. By day, The Palms Beach Grill serves an informal oceanfront lunch focused on Caribbean grill specialties, positioned for easy, pool-to-beach dining. In the evening, the space transitions into Cantina Paradiso, offering a Mexican-inspired menu with a more structured dining feel and a stronger emphasis on flavour-led dishes. The concept is designed to provide variety within a single setting, moving from casual daytime dining to a more polished dinner experience by the sea.

LA FONTANA RESTAURANT

Located on via Maho, just after Pizzeria Napoli, at the heart of the lively piazza near the famous gazebo that overlooks Maho Bay, La Fontana is a popular meeting point to enjoy refreshments such as soft drinks, frozen drinks and international cocktails or to enjoy sunset while sipping on an aperitivo before dinner.

JING'S KITCHEN

Jing's Kitchen is an upstairs dining venue in Maho Village serving contemporary Asian cuisine in a relaxed, design-led setting. The space balances a casual-chic atmosphere with bold, hand-painted murals that give the restaurant its visual identity, paired with a more understated, modern interior style. The result is a lively but polished environment suited to informal dinners with a stronger sense of place than a typical resort restaurant. Positioned above the main village level, it offers a slightly removed dining experience from the beachfront activity below, while still remaining close to the centre of Maho's dining and nightlife scene.

PIZZERIA NAPOLI

Napoli Pizza is a casual, made-to-order pizza spot in Maho Village, serving fresh slices straight from a traditional oven. The focus is simple and efficient: handcrafted pizzas prepared with fresh ingredients, designed for quick service throughout the day. Located on Via Maho next to Ocean Terrace Restaurant, it caters well to mid-day and evening, on-the-go dining within the wider Sonesta Maho Beach Resort, Casino & Spa area.
