STOLENTIME

MALABAR BEACH, SAINT LUCIA

An adults-only, all-inclusive resort on Saint Lucia's northwest coast, positioned around wellness and active lifestyles. Set within tropical gardens on Malabar Beach, it offers a sociable but relaxed atmosphere, with a strong focus on fitness, from yoga and pilates to more structured programmes. Rooms are simple but comfortable, with upgrades recommended for clients wanting a more premium feel. Dining is varied and included, with a focus on healthy options alongside more classic choices. Best for solo travellers, couples, or groups looking for a wellness-led Caribbean stay with structure and community, rather than a traditional luxury resort experience.

RESTAURANTS

MALABAR BEACH CLUB

Malabar Beach Club offers a unique, intimate dining experience with views overlooking the Caribbean Sea. You can now enjoy dinner under an open sail, with furniture made from the local Samaan Tree and drift wood. The a la carte restaurant offers light cuisine, using local island ingredients and fresh produce from the local market.

THE TERRACE RESTAURANT

The Terrace Restaurant is open daily for breakfast, lunch and dinner. Meals are served buffet style in this lovely open-air restaurant overlooking the Caribbean Sea. To get even closer to the water, dining on the boardwalk is ideal. Evening dining is characterized by a nightly theme including the ever-popular Beach Barbeque and West Indian theme nights.

THYME

For those very special nights, Thyme, the air-conditioned fine dining restaurant, provides an elegant alternative, with a French classic à la carte menu that changes every three nights over a two-week cycle. The silverware, crystal glassware, damask linen and fine service all add to the culinary experience.
