RESTAURANTS

THE AQUA

A lively gastro-hub open from morning until night. Start with a glorious breakfast buffet, including piping hot pastries fresh from the bakery, then head back for lunch and dinner for Western classics and Maldivian house specials.

THE NAUTILUS

At Nautilus, sit back and enjoy perfect Indian Ocean views. Take a dip in the lagoon between drinks, before resurfacing for another delicious sip. For evening sundowners, there's no better seat on the island.

THE SPICE

During the day, dine on rustic Italian fare, from crisp homemade pizzas to the perfect tiramisu. Come sundown, the space transforms into an Indian restaurant with authentic curries and freshly baked breads, with a weekly buffet dinner taking guests on a culinary journey through the flavours of India.

POSITIVE ENERGY

Choose from sweet tropical shakes, ice cold cocktails and vitamin-packed smoothies, all served poolside. With a menu designed to replenish the body and calm the mind, this is the place to beat the heat and keep cool in the shade.

WELL DONE

Fresh fish and seafood is best enjoyed right on the beach, and it doesn't get any fresher than this. Herbs, spices and vegetables are grown at their very own organic farm, bringing flavours bursting to life in all of the dishes.

WINE CELLAR

Join an expert sommelier in the cellar of fine wines. Swirl and sip on the best vintage treasures by candlelight, all perfectly paired with accompanying nibbles and bites.
