ACCOMMODATIONS

CABANA KUMBURA

Cabana 'Kumbura' (Sinhala for paddy field) offers a slightly different feel from the other rooms. Huge and airy, it was designed to maximise airflow with parts of the wall built with spaced wooden columns open to the landscape beyond. It looks out across stunning paddy fields to the jungle hills to the north and the small hamlet of Thiththagalla on the west of the estate.

CABANA KALE

Cabana 'Kale' (Sinhala for jungle) sits just slightly away from the main lodge, offering a little more privacy and space but with easy access to pool and communal living areas.

LODGE ROOM

Four large en-suite bedrooms centered around a quintessentially Sri Lankan courtyard, each with a sitting area and coffee table, handmade wardrobe, full-length mirror, wooden desk and a private verandah.
