TI KAYE RESORT AND SPA

VIEUX FORT, SAINT LUCIA

An intimate, adults-only hillside retreat on Saint Lucia's west coast overlooking the secluded Anse Cochon cove, offering a rustic, barefoot luxury experience shaped around privacy and nature. Accommodation is in standalone cottages built into the hillside, each with a private balcony, double hammock, outdoor shower, and many with plunge pools, all designed to maximise sea views and seclusion. The atmosphere is quiet and deeply relaxed, with a strong focus on disconnection rather than resort programming. Dining is centred around two restaurants and a notable wine cellar, complemented by beach service and a small spa set above the water. Access to one of the island's best snorkelling and diving spots is direct from the beach. Service is warm, personal, and low-key. Best for couples seeking a secluded Saint Lucia stay with strong ocean views, privacy, and a slower, nature-led rhythm rather than a conventional luxury resort experience.
