TROU AUX BICHES BEACHCOMBER GOLF RESORT & SPA

A strip of white sandy beach, a turquoise lagoon with crystal-clear waters, a 35-hectare tropical garden...These are some of the timeless charms of Trou aux Biches Beachcomber Golf Resort & Spa, a luxury hotel in Mauritius. Its situation on the north west coast of Mauritius ensures one of the best climates and provides the perfect setting for dramatic sunsets. Accommodation is housed in lavish chalet-style suites built in crescents while private villas are tucked among the lush tropical gardens. With an emphasis on environmental preservation, Trou aux Biches Beachcomber Golf Resort & Spa is the first eco-friendly resort in Mauritius, while providing the latest in luxury focusing on privacy, space and diversity.

ACCOMMODATIONS

JUNIOR SUITE

A winding alley in the tropical gardens leads guests to the bright and spacious Junior Suites. The bedroom opens into a cosy lounge area and a terrace. The elegant wood furniture adds a sophisticated touch to the suite. A vast open shower with light beige tiles and separate bath adds a tropical touch to the suite. The suite is located in a quiet area in each of the six crescents with access to a private pool (crescent's pool).

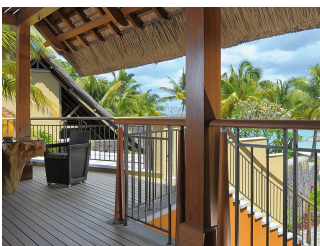

TROPICAL JUNIOR SUITE

A spacious bedroom extends onto an intimate terrace where guests will enjoy the view of the lush gardens and pool in the centre of their crescent. The airy en-suite bathroom adds to the tropical charm. A generous open shower bordered by smooth pebbles leads to an outdoor shower area shaded and surrounded by fresh tropical greenery. Perfect for a couple, this suite offers a tropical yet cosy hideaway. Guests will also enjoy romantic moments in the shade of the palm trees surrounding the pool at the centre of each crescent.

BEACHFRONT SUITE WITH POOL

A few steps away from the beach, guests will enjoy holiday living in a refined setting. The suite is light and airy offering guests the best of indoor and outdoor space to make the most of the view. A mix of dark and light wood is complemented by the soft beige tones and splashes of fresh green, giving the suite a sophisticated feel. The en-suite bathroom adds tropical charm as it extends onto the outdoor shower area, surrounded by exotic greenery. The Beach Front Suite has its own plunge pool, surrounded by a wooden deck and traditional dry rock wall.

BEACHFRONT SENIOR SUITE WITH POOL

This suite is a stone's throw away from the beach and has a magnificent view of the beach and sea. The interiors bring together dark browns, sleek wood furniture and a delicate mix of metallic lines and curves creating a modern yet classical theme. The bedroom features an en-suite bathroom, complete with a romantic round bathtub and outdoor shower area set among exotic plants and shrubs. A spacious living area opens out onto the terrace, both featuring plush furniture and accessories. A private staircase leads guests to their own pool surrounded by a smooth wooden decking. Surrounded by a traditional dry rock wall, this suite provides perfect privacy indoors and outdoors.

2-BEDROOM FAMILY SUITE

This cosy suite looks out onto the colourful gardens and is flooded with natural light, creating a bright and breezy feel. A few steps away, family members will also discover the private pool in the centre of their crescent. The master bedroom offers a summery atmosphere with light wood furniture, complemented by splashes of fresh red and soft beige. The spacious bathroom includes a dressing and open shower. This suite is perfect for families with a second bedroom and bathroom.

TWO BEDROOM POOL VILLA

In a village-like setting, surrounded by lush tropical gardens, the Two-bedroom Villa offers the height of luxury holiday accommodation. This villa houses two spacious bedrooms, two en-suite bathrooms and a large indoor and outdoor living area including a private pool. Fresh greens mix with dark browns and the sleek light wooden furniture to create a sophisticated yet relaxed decor. The American-style kitchen opens onto the large living area featuring plush furniture and equipped with a high-tech media hub. Smooth wooden decking surrounds the intimate dining area and the free-form infinity-edge pool. Further down the garden guests will enjoy the specially-built barbecue area and make the most of true island living. This modern holiday home is ideal for families. The elegant master bedroom extends onto an en-suite bathroom. In the shade of a private gazebo, there is an outdoor shower and deep-soak tub. The second room is tailored for the younger members of the family.

THREE BEDROOM POOL VILLA

The Three-bedroom Villa with pool features two master bedrooms with en-suite bathrooms and one room especially designed for children. Guests will be greeted by the view of their own private infinity-edge pool as they enter the villa. Each room is perfectly linked to the other. The modern open-plan kitchen extends to the lounge area which in turn opens onto the spacious terrace. The outdoor living area, surrounded by elegant wooden decking, provides the ideal space for refined al-fresco living. Both master bedrooms look out onto the pool and garden and feature either a sumptuous outdoor bathtub or shower, shaded by a delicate gazebo and tropical greenery. Guests will truly be able to relax knowing that the dedicated services of a valet are included and a chef is available upon request.
