UGA CHENA HUTS

YALA, SOUTH-COAST, SRI LANKA

Uga Chena Huts offers a luxurious escape amidst the pristine wilderness of Yala, Sri Lanka. Nestled within 7 acres of untouched nature, this exclusive retreat features 18 private cabins, each with its own plunge pool, spa, and dining facilities, all offering breathtaking ocean views. The layout ensures maximum privacy and tranquility for every guest. At Uga Chena Huts, visitors can embark on curated safari experiences guided by expert rangers, exploring the rich wildlife of Yala National Park. The park is home to a diverse array of animals, including leopards, elephants, the elusive sloth bear, and numerous bird species. The adventure includes thrilling game drives that perfectly blend comfort and the raw excitement of observing nature in its purest form. After a day of exploration, guests return to the sanctuary of their luxurious huts, where relaxation and serenity await.
