UGA CHENA HUTS

YALA, SOUTH-COAST, SRI LANKA

Between the wilderness and shoreline of Yala National Park, a luxury tented camp offering a highly immersive safari experience with strong design detail and all-inclusive comfort. Accommodation is in private cabins styled as contemporary huts, each with a plunge pool and direct connection to the surrounding landscape of dunes and forest edge. The atmosphere is exclusive yet deeply nature-focused, with guided game drives and curated dining shaping the experience. A strong match for travellers seeking a refined, high-comfort safari stay with close access to leopard territory.
