VELAA PRIVATE ISLAND

NOONU ATOLL, MALDIVES

Thoughtfully designed and thoroughly tested, the 47 villas, houses, and private residences at Velaa were conceived as places of effortless comfort and the perfect escape. The mission was to create spaces that were empathetic to the natural beauty of the island, to the simple life of the Maldives, and, above all, to the comfort and privacy of the guests. Velaa is a boutique ultra-luxury resort, embodying the true essence of the Maldives. This essence is visible in the architecture, the combination of intimacy, privacy, and the variety of larger resorts. However, it shines through primarily in the heartfelt service provided by the staff, as it is the people who truly make the difference
