## VELIGANDU MALDIVES RESORT ISLAND

### NORTH ARI ATOLL, MALDIVES

Long-established island in North Ari Atoll offering a classic Maldivian experience centred around lagoon living and a relaxed barefoot pace. Accommodation is split between beach and overwater villas, with Jacuzzi and sunset-facing categories providing the strongest appeal for couples. The island is compact and easy to navigate, with a natural sandbank and clear waters supporting good snorkelling directly from shore. Dining is casual and varied across a small number of venues, complemented by friendly, informal service. Best for couples seeking a traditional Maldives stay with strong value, reliable snorkelling, and an easy, unhurried island atmosphere.
