VICEROY LOS CABOS

SAN JOSÉ DEL CABO, MEXICO

Viceroy Los Cabos is an architecturally stunning concept a playful hideaway where sea and sky converge, inviting guests to experience the spirit of Baja. Located in Baja California Sur and designed by renowned architect Miguel Ángel Aragonés, the hotel stands as a striking modernist masterpiece. The 192 rooms and 50 residences have a minimal, stylish look, while majestic coral reefs and the historic colonial streets of San José del Cabo are just a short walk or bike ride from the resort. With cinematic views at every turn, the resort offers six distinctive culinary destinations, a holistic wellness experience featuring a fitness centre by celebrity trainer Harley Pasternak, a year-round kids club and movie theatre, and five swimming pools.

FOOD AND DRINK

RESTAURANTS

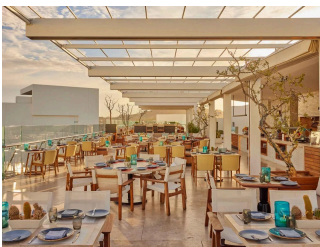

AWACATE

A colorful and casual outdoor patio experience with the flavors and spirit of a Mexican Kitchen.

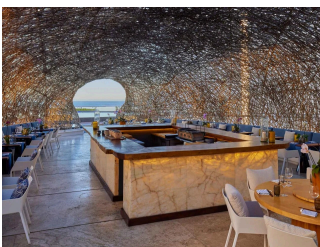

CASERO RESTAURANT

Casero is the heartbeat of the hotel, a space defined by the natural rhythms of the day and the movement of guests and staff throughout it. The name, meaning "home-made" reflects a guiding philosophy grounded in care, simplicity, and a strong sense of place. It represents food that feels familiar yet elevated thoughtfully crafted by hand and prepared with clear intention. Every detail is shaped to evoke warmth, authenticity, and a quiet sense of refinement, creating an experience that is both comforting and considered.

CIELOMAR ROOFTOP

Cielomar is where the sky meets the sea. Set high above the coastline with sweeping views over San Jose del Cabo, it is a rooftop destination where guests gather to enjoy expertly crafted cocktails and uninterrupted sunset views. As dusk falls, fire becomes the focal point of the experience. At the heart of Cielomar is an open kitchen shaped by smoke and wood fire, where elemental cooking defines a menu that balances land and sea. Premium cuts and seasonal produce sourced from trusted local vendors are prepared with precision and respect for ingredient and technique. A wood-burning pizza oven brings rustic warmth to the rooftop setting, inviting guests to savour bold, simple flavours inspired by Baja, all enjoyed under the open sky.

NIDO

Nido, meaning "nest," is conceived as a place for nourishment, rest, and quiet reflection. The menu is rooted in Japanese precision and harmony, thoughtfully shaped by the abundance of Baja's coastline and guided by the highest quality seafood available in the region. Every detail is intentional; nothing is superfluous. At its core, Nido offers an omakase experience a curated culinary journey led by seasonality, technique, and the chef's intuition. Courses unfold with quiet purpose, inviting guests to exhale as clean composition, delicate textures, and a deep respect for local ingredients define the rhythm of the meal. Restraint is the guiding principle of the kitchen. Through thoughtful preparation and composed flavours, each dish creates a sense of calm and clarity, encouraging guests to slow down and fully engage with the moment. The result is an experience that feels grounded and serene, honoring simplicity, presence, and origin.
