VILLA CAMBRESI

TROU D'EAU DOUCE, MAURITIUS

Set on Mauritius' quieter east coast, Villa Cambresi is a five-bedroom retreat suited to families or groups looking for a more spacious, residential-style stay. The villa combines generous outdoor areas with a relaxed atmosphere, creating an easy setting for longer days spent together. Each bedroom features an en-suite bathroom, while outdoor living centres around the private pool, which can be heated on request during cooler months. The lagoon-facing position is a standout, with views stretching towards Île aux Mangénie. Guests also have the option of private boat pick-up directly from the beach, with Île aux Cerfs a short ride away for golf and day trips.
