VILLA ITZAGA

BELLE MARE, MAURITIUS

Set within a quiet coastal enclave, this five-bedroom villa is well suited to families or groups seeking a more relaxed, residential stay. The atmosphere is warm and informal, with generous indoor and outdoor living spaces designed for spending time together. The open-plan living area is a particular highlight, offering plenty of space to dine, unwind, or gather as a group. Interiors lean into natural textures and wood finishes, giving the villa a comfortable, lived-in feel rather than a polished resort aesthetic. Outside, guests have access to a private pool and garden, ideal for slower days between beach visits or relaxed evenings at the villa. The beach is just a short distance away, making this an easy option for clients looking to combine privacy with access to the coast.
