WATER GARDEN SIGIRIYA

SIGIRIYA, CULTURAL TRIANGLE, SRI LANKA

Set close to the Sigiriya rock fortress, Water Garden Sigiriya is a contemporary retreat designed around a network of lakes and landscaped waterways inspired by the region's ancient water gardens. The experience is calm and considered, with low-rise villas positioned to maximise privacy and natural surroundings. A strong option for clients exploring Sri Lanka's Cultural Triangle, combining proximity to key heritage sites with a more design-led, nature-focused stay.
